

The John and Nellie Wooden Institute for Men of Principle

Frequently Asked Questions

1) What is the Wooden Institute?

The Wooden Institute is Beta Theta Pi's hallmark leadership program. It is a transformative experience offered over several days in Oxford, Ohio. Seventy undergraduates from across North America attend each session and learn the skills necessary to become effective and capable chapter leaders.

2) Why should I go?

Attending the Wooden Institute will broaden your horizons and challenge you to think "outside the box." Visiting the Administrative Office will amaze and inspire you. Everything you learned in the "Son of the Stars" comes to life. There is no better location than the Fraternity's founding place to recommit yourself to the principles and obligations of Beta Theta Pi.

3) Who is it meant for?

Anyone who wants to make a difference in his Beta chapter/colony or interfraternal community. It is not a requirement to be a chapter officer to attend. If you consider yourself an up-and-coming leader, then this experience is meant for you. All chapters are encouraged to send men to the program!

4) What can I expect to get out of it? What do we do?

You can expect brotherhood with other Betas that better connects you to Beta's Broad Domain. You will also experience team building experiences, values discussions, develop your leadership skills and have an opportunity to serve the Oxford community. Most importantly, you will gain a better understanding of what our Founding Fathers envisioned and a renewed sense of belonging in Beta Theta Pi.

The Wooden Institute is intense. The programming begins early in the morning and goes into the evening. **It is not** a conference-style experience where you pick and choose what sessions you would like to attend. The curriculum pieces build off each other to deliver a progressive learning experience.

5) Where do we sleep?

Everyone will be staying in a hotel conference center. Linens, blankets, towels, and pillows *will* be provided, but you will need to bring your own toiletries. All undergraduates will share a king bed with another undergraduate.

6) Is it all work and no play?

No! Socializing naturally occurs throughout the Wooden Institute and free time is scheduled in the agenda. We realize that fun is an essential part of the experience.

7) Who attends?

- A) 70 undergraduates from chapters/colonies across Beta's Broad Domain.
- B) 8 Beta alumni serve as facilitators.
- C) 8 Friends of Beta (men and women) serve as facilitators.

8) What is an FOB?

FOB stands for "Friend of Beta" and is the title given to non-members who serve the Fraternity. These fraternity/sorority professionals and other volunteers lend their time and talent at the Wooden Institute. FOBs foster collaboration through interfraternalism, and they selflessly volunteer their time to benefit our organization. We are indebted to their service.

9) Who is responsible for us when we are on site?

Two lead facilitators guide the *large group* discussions. The two-person team consists of a Beta and an FOB. Brothers are divided into seven small group "chapters," each consisting of 12-14 men. Each small group is guided through discussions led by two facilitators – a Beta alumni volunteer and an FOB.

11) How much is it? What does that include?

The cost is \$650, but you are only responsible for a **\$99 non-refundable registration fee**. The \$99 fee will be billed to your chapter after registering. The Beta Theta Pi Foundation will provide you with a sponsor who will cover the remainder of your \$650 total. This price pays for meals, lodging and the four-day experience in Oxford, Ohio.

Note: if you fail to attend after registering for the event or you cancel your registration after the cancellation deadline (December 21), you will be responsible for paying the full \$650 registration cost.

12) What should I pack?

Bring casual clothes and athletic gear. Jeans and **respectable** T-shirts are the normal attire. Other notable items: extra T-shirts to swap, extra spending money for personal items or Beta souvenirs, closed toe shoes (preferably tennis shoes) and a coat.

13) What is the weather like in Oxford?

Temperatures can range from the low 10s to the mid to high 30s. Expect snow.

16) How do I get from the airport to Oxford? (Participants only)

Cincinnati (CVG)

At CVG, you must be outside on the curb of main DELTA baggage claim (the first level of Terminal 3). A shuttle will be circling at the time listed below. The shuttle driver cannot stop and wait, so please find the other Betas in the baggage claim area and be waiting outside. Travel time between the Cincinnati airport (CVG) and the campus is about one hour. If you arrive early, you may have to wait at the airport.

Please note that shuttles will be running from the airport to Oxford at the following times *only*, so please be sure to schedule your flights, so you don't miss your ride:

Night before session begins: Depart from CVG at 9:45 p.m. EST

Morning day of session start: Depart from CVG at 11:00 a.m. EST

17) What is the policy on cancellation or getting charged?

The policies regarding cancellation and/or getting charged are outlined in the consent statement that each participant agrees to at the time of registration:

I understand that I will be personally billed the Beta Theta Pi Foundation subsidized amount of \$650 if I do not attend the event as planned — **this includes arriving late, leaving early, missing any session or cancelling for any reason after December 21, 2022.** The \$99 registration fee that is billed to the chapter is non-refundable/non-transferable, even if I cancel before the cancellation deadline or have someone take my place.

I understand that the Wooden Institute is a substance-free event, and I agree not to bring, consume or be in the presence of alcohol or illegal drugs. I understand that violating this agreement will result in being sent home at my own expense and being charged the full registration fee. This policy is in effect upon arrival at the airport (for those flying) or Oxford (for those driving).

Finally, I understand that I am representing Beta Theta Pi at the Wooden Institute. My conduct will be in such a manner that it brings honor to me, my chapter and to Betas everywhere. I understand that failure to do so will result in being sent home at my expense and that I will be responsible for the full registration fee of \$650. *In any case where I am assessed the \$650 fee, I understand that I am responsible for paying the fee in full. I understand that I will **not** be offered options for a payment plan.*

18) What if I can't attend anymore?

We understand that sometimes life happens! We always encourage finding a chapter member to take your place. Prior to December 21, 2022, you can make a substitution with no penalty. After December 21, 2022, making a substitution will incur a change fee of \$25.00, which will be billed to the credit card used to register for the program.
