Collegiate Guests

I understand that my chapter is paying for my Convention experience and that it's my responsibility to make the most of it and bring information and knowledge back to my chapter, for the betterment of my Brothers. I understand that if I am unable to attend, I should find another Brother to attend in my place. I have read the Convention FAQs and understand the consequences of cancelling or not attending. I understand that I must attend all Convention activities. While at Convention, I will behave in a manner consistent with the principles and obligations of Beta Theta Pi. If I don't, I understand that I may be asked to leave, which may require finding my own transportation and lodging. I also understand that, based on my role, there may be work to do before I arrive at Convention, including information to review and participation in conference calls or webinars.

Volunteers, Alumni and Guests

I understand that my credit card will be charged for all registration fees upon checkout. I have read the Convention FAQs and understand that I may incur charges if I change or cancel my registration.

I agree, for myself, my administrators, personal representatives, executors, predecessors, successors, agents, heirs and assigns to release and hold harmless the Beta Parties from any present or future claim for personal injury, emotional injury, death, property damage, or for any other loss or damage of any type arising directly or indirectly from my participation in Beta's General Convention, to the fullest extent permitted under law, including allegations or claims of negligence on the part of Beta, provided, however, this form does not apply to acts of gross negligence, willful or wanton conduct, or intentional conduct.
